

## LoanPro Release Notes December 2019

**INSTRUCTIONS:** If you use any Simnang API, look at the “Breaking Changes to Current API” section to see what changes have been made that may “break” your current integration. If you are not an API user, then you’ll only need to look at “Significant Updates” to see what has been added or updated in the current release.

## **Features Changes or Enhancements**

- **Speed Enhancements.** Speed enhancements have been made for multiple pages in LoanPro, this time we focused on increasing speed on reports:
  - Actions & Results
  - Charges
  - New Accounts
  - Suspend/Resume Interest
  - Due Date Changes
- **Search Notes/Alerts by Date.** We have added the ability to filter Notes, Actions & Results, and System Notes by Date, so that you can find the information you are looking for easier and faster. [Article Link](#)
- **Action & Results section in Loan Summary.** Now you can add an Action & Results section as part of your Loan Summary view. [Article Link](#)
- **Delinquency Buckets Array in Historical Report.** We added the column Delinquency Buckets to the Historical Archive report and the Loan Manager, so you can easily identify the delinquency bucket without needing to export a CSV file. [Article Link](#)
- **Improved Color Coding in Transactions Report.** We have added an outline and a mouseover text to fees that are included in the delinquency calculation, inside the Transactions report. [Article Link](#)
- **Import multiple files at the same time.** We have improved the ability to import multiple files of the same type at the same time. [Article Link](#)

- **Webhooks are now visible on System Notes.** Now the system notes (found on multiple tabs in LoanPro) will include notes when Webhook notifications are sent. [Article Link](#)
- **AutoPay ID is now included on the payment stats.** This will show when a payment was created by an AutoPay and the ID of the AutoPay. [Article Link](#)
- **New SOS Support section in My Account.** We have added a new tab in the My Account section of LoanPro, where you will be able to see all of your SOS Transaction History, SLA Package, SOS Payment Profile, Support Ticket and History, as well as open new Support Tickets and Request Support Codes. [Article Link](#)
- **CCPA Custom Forms.** We have added two new custom forms to meet CCPA regulations that let you export or request deletion of customer personal information. [Article Link](#)
- **Opt Out of Selling Info field.** One of the new regulations of CCPA is to provide your customers in California the ability to opt out of having their personal information sold. To help you comply with this, we have added a new field in the customer section where the opt out can be recorded. [Article Link](#)
